

The **Enduring Love** Campaign led by KOVAR and the Virginia Knights of Columbus invites you to stand with parents who seek to find a home for their intellectually disabled child that outlives their ability to provide direct care on their own. Our goal is to add \$2 million to our revolving, no-interest loan fund. This enables loving care for this special group of God's children to endure forever, made possible by you and others whose loving generosity will also endure forever.
